		30 July. Between 8:30 a.m. and 10 a.m. 30-minute formation flights	
		were repeatedly made in elements of three planes. the latter plane	25X
		definitely being occupied by a two-man crew. Inore was night flying	
		between 9 p.m. and 11 p.m. About 11:30 a.m., 37 MiG-15s and U-MiG-15s were parked at Grossenhain airfield.	25X
		31 July. About 8:05 a.m., 4 swept-back jet fighters took off at intervals of 30 seconds. The planes assembled to flight	
		formation and flew to the west. They landed at 9:32 a.m. There was a 10/10 overcast at an altitude of 600 meters. About 11:20 a.m., 8 swept-back jet	
		fighters took off in elements of two, assembled in two formations of 4 and flew in a northwesterly direction from where they returned about noon,	
		landing individually. About 3 p.m., a formation of three swept-back jet	
		fighter was seen aloft. Between 9 p.m. and 11 p.m., there was night flying by planes taking off and flying in elements of two. About 8 a.m., 32 MiG-15s and U-MiG-15s with auxiliary fuel tanks were counted at the field.	
		1 August. In the morning and during moon hours, formation flying by elements of two planes was observed. About 9 a.m., 1 Fo-2 was also seen aloft. 1	
•	2.	About 5 p.m. and noon on 25 and 29 July respectively, six trucks each towing AA guns were seen proceeding from the loading ramp at the airfield in the direction of the fuel dump.	A
